## Mattapoisett Town News

Selectman John N. DeCosta was present  
at the last session but there was no formal  
meeting since Chairman W. Richard Blas-  
dale and Selectman William Hubbard were  
both out of town as they had informed Mr.  
DeCosta they would be at the previous  
meeting.

Stephan Lombard, Executive Secretary to  
the Board of Selectmen, informed Selectman  
DeCosta that the town's present Pontiac  
ambulance has been certified as a Class  
II vehicle by the Mass. Department of  
Public Health. This classification is to  
run for 2 years and then be reviewed. This

The Board of Selectmen sent Mrs. Rosalind Travis and family a letter of condolence on the death of Joseph Travis, who recently resigned as chairman of the Finance Committee. The Selectmen said in part, "His service to the town as a member and later chairman of the Finance Committee and his involvement in town affairs will be long remembered with a sense of deep appreciation." Mr. Travis served the town on the Finance Committee for seven years until his health forced his resignation.

Please note the change of dates for the Ply-  
mouth minibus trip and the Arnold Arboretum.  
We made a mistake and the corrected dates  
are: Plymouth, May 19, and the Arnold Ar-

ience! We also suggest that drinks be brought  
with your lunches for the Arboretum as there  
is no place nearby to obtain them. It is our  
understanding that the bus can drive around  
the Arboretum somewhat for those who do  
not care to do much walking.

From all reports the Westminster trip was  
a tremendous success. Mr. Joe Rochette  
acted as tour guide pointing out many places

The bird migration in the spring is a well-known occurrence to most adults and children. An equally spectacular, but less well-known spring migration is that of some fish, one of them being the herring. The herring migration, or Herring Run, will be the topic of this Saturday morning's field walk at the Children's Museum. Unlike most of the museum's field walks, this one will take place at the Children's Museum instead of the Museum Outdoors. hold the reception immediately after the concert in the parish house. The public is cordially invited to attend either concert. There are special ticket prices for students and senior citizens.

Directed by Gerald P. Dyck, the program consists entirely of music on the theme of music itself. Texts describe the musical process and express the value and intrinsic worth of music. Some numbers portray the spiritual powers of music to heal and to drive away depression. Songs include pieces from the late Renaissance, 1550-1600, when it was customary to sing in four or more parts, frequently unaccompanied. "Come Ye Sons of Art" by Henry Purcell touches the baroque period of the 1650's. Brahms' "Alto Rhapsody" with Polly Maynard as alto soloist and a male chorus introduced the romantic period; and "Serenade to Music", the Choral Society's favorite, stems from late Victorian with an impressionistic style. Priscilla and Polly Maynard, sisters, have major solo parts. In more modern style is "In Praise of Music" by Paul Hindemith, who put to music the words of Martin Luther.

Soloists are Cathie Langelotti and Erik Nielsen, with a string quartet. On the lighter side, there will be several short numbers in Italian, French and German.

The Choral Society members are beginning a drive to raise funds in order to purchase a harpsichord kit which will be built by several members next summer. The harpsichord will be used in conjunction with future Choral Society concerts. Keys are currently on sale. There are 52 keys to be sold, each of which will have the name of the purchaser inscribed on it. Interested people may contact Mrs. Margaret Liro, treasurer, 8 Irving Street, New Bedford. Certificates are being drawn up and will be sent to owners of keys. Hopefully, after it is constructed, the harpsichord might be able to be rented out for a fee to any organization wishing to use it.
